

## CALLING ALL NONPROFITS: Join us as an Event Sponsor!

By partnering with Empower Missouri, you can promote your organization and support our mission to end poverty in Missouri.

As a sponsor, you'll be partnering with a trusted leader in advocacy, championing change in Missouri since 1901. Join us for our annual convening of thought leaders focused on eradicating poverty in Missouri, with a special emphasis this year on childhood poverty.

We have several packages to choose from, starting at our special nonprofit rate of only \$500!
