

TOWN HALL EVENT ON FOOD ACCESS IN THE COUNTY

Connect and learn with us this month as we work toward making sure youth and adults of all ages have food on the table!

Empower Missouri is a statewide advocacy organization that works to change Missouri's laws and policies to boost food security, affordable housing, and community justice.

This free event will include information about food access in Butler County (and beyond) as well as time for Q&A and planning action steps as a community. We look forward to hearing many different perspectives!
