JOIN US IN THE FIGHT TO END POVERTY IN MISSOURI.

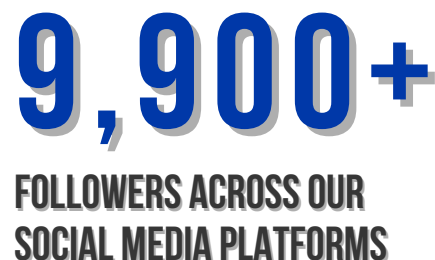

For more than a century, Empower Missouri has been a champion for families struggling with homelessness, food security, mass incarceration, and access to healthcare. In 2026, we are celebrating 125 Years of People-Powered Policy Change, and we invite you to partner with us to recognize this milestone, and dream with us to build a better Missouri for the next generation.

Throughout our long history, Empower Missouri has been building and sustaining coalitions of nonprofit organizations across the state that strive together for People-Powered Policy Change. Whether you have been partnering with us for months, years, or decades, we would love to feature our partnership as part of our anniversary celebrations. We

recognize that nonprofits today are operating in a resource-constrained environment, so nonprofit sponsorships are being offered on a sliding scale based on the size of your organization. Benefits are the same for all organizations.

OUR IMPACT

CELEBRATE 125 YEARS OF PEOPLE-POWERED POLICY CHANGE.

Over the year we'll be offering many ways to get involved with the celebrations—both special moments to celebrate at several of our long running annual events, and new events we're introducing or bringing back this year. We'll be in your communities, attending local events and learning more about the challenges Missourians are facing, as well as supporting the solutions that your customers and clients have seen make a difference in their lives every day. We'll be hosting opportunities to connect with the Empower Missouri community, learn from each other, take action together, and envision a future where **every Missourian can thrive**. Our growing list of programs this year offers the perfect opportunity to get involved as a sponsor, with so many ways to connect with our audience and position your organization as a leader in improving your communities.
